

Examples	Credit Card Requirements	Debit Card Requirements
Percentage Fee: Tabitha goes into Tavern T for a meal. She sees on the menu a sign that says, “if you use a credit or debit card, you will incur a 5% fee.”	Violation	Compliant
Additional Charge: Tim heads to a new food truck parked on the corner near his office and orders a delicious lunch. When he goes to use his debit card, the operator tells him there will be an additional \$2 added because he is using his debit card.	Violation	Violation
Listed Itemized Price Scheme: Jane goes into Shoe Store S, “The first price listed is if you use a credit card or debit card for your purchase. The second price is for cash.”	Compliant	Compliant
Flat Fee Notice: Kevin goes into his corner store for some groceries. A sign at the register says, “\$5 fee for credit or debit card sales.”	Violation	Compliant
Cash Discount: Sophia goes into her florist. A sign at the register says, “\$3 discount for all cash purchases.”	Compliant	Compliant
Post Purchase Fee: Frank goes into Restaurant R for an enjoyable meal. When he gets the check, he notices a “services fee” that was added when he said he was paying with his credit card or debit card.	Violation	Violation
Pay at the Pump: Violet stops to fill her tank up with gas. The per gallon price is listed – and is the same as the price on the sign she saw when she drove in. There is also a discounted price per gallon listed if Violet chooses to pay with cash inside the store.	Compliant	Compliant
Percentage Fee Notice: At the end of Alex’s medical appointment, she sees a sign that says, “3% fee for all credit and debit card transactions.”	Violation	Compliant
Discounted Product: John stops at the gas station to fill up. A sign at the pump says, “free cup of coffee with all cash sales.”	Compliant	Compliant
Percentage Discount: A supermarket banner at the door reads “3% discount for all purchases using cash.”	Compliant	Complaint
